

Chilled Christmas Parties at Trafalgar Events

This Christmas, wow your guests with a magical party at No.8 Northumberland Street created by event company Trafalgar Events and award-winning caterers Dish.

A beautiful venue, just off Trafalgar Square, this striking Grade II Georgian town house is perfect for your exclusive Christmas house party. The venue will be sympathetically dressed to create a clean, contemporary winter feel.

Laid out over 3 floors this exclusive house party includes total use of the house, with drinks and canapés on arrival.

As the evening gains momentum your guests will be invited downstairs to The Club. The room will be lit with cool blues and sumptuous pinks where your guests will enjoy a selection of delicious dishes and great cocktails.

Twinkling mirror balls and the fabulous DJ will have your guests on the dance floor! Alternatively, guests may wish to watch the dancing from the decadent chill out area or have some fun in the games zone.
